

SCHOOL DISTRICT MISSION
(Comprehensive School Improvement Plan)

The mission of the Miami R-I Elem. School District is to encourage students to seek lifelong learning, and display respect for themselves and others.

Educational Values of the Professional Staff

- To promote the Mission and Educational Values of the Miami R-I School.
- To fulfill the Teacher Expectations as set forth by Board Policy.

The district has a Board-approved Comprehensive School Improvement Plan (CSIP) guided by the mission statement and based on the district's fundamental beliefs about teaching and learning. This plan serves as the district's foundation for allocating resources, developing policies and procedures, and selecting and implementing instructional programs designed to raise student achievement.

The CSIP was developed through the combined efforts of Board members, staff, administrators, students, parents/guardians and community members and is ongoing. Goals, outcomes or objectives are provided in sufficient detail to direct the improvement efforts of the district for at least a five-year period. The CSIP is evaluated and updated as necessary.

A copy of the district's CSIP is available in the superintendent's office.
