

RECRUITMENT AND APPOINTMENT OF THE SUPERINTENDENT

The Board of Education is solely responsible for the recruitment, selection and appointment of the superintendent of schools. The Board will conduct an active search to find the individual believed most capable of putting into action the policies of the Board, while it remains cognizant of the aspirations of the community, and of the professional and support staff.

The Board may seek the advice and counsel of interested individuals or an advisory committee. A consultant may be employed to assist in the selection of a superintendent. However, after a thorough consideration of qualified applicants, final selection will rest with the Board.

A vote of the majority of the whole Board will be required for the appointment of the superintendent.
